

AGRICULTURAL GYPSUM + MAGNESIUM

# Green Mag

For a quick and cost effective application through irrigation equipment, extremely fine agricultural gypsum products are crucial. They are able to dissolve into solution faster than any other agricultural gypsum products.

- Excellent Source of Calcium and Magnesium
- Can be blended with dry fertilizer

Chemical Analysis	Guarantee
Gypsum (CaSO <sub>4</sub> . 2H <sub>2</sub> O).....	92 %
Calcium (Ca).....	17 %
Sulphur (S).....	17 %
Magnesium (Mg).....	5 %

This product is a nonhazardous, naturally occurring mineral  
CAS 13397-24-5
