

Striker SOS

Ryegrass Blend

Sportsfields, passive recreation

Striker SOS (Super Over Seeder) is a unique blend that contains Panterra turf annual ryegrass and our leading turf perennial ryegrasses -Premier III and Barorlando. Striker SOS will provide an extremely fast germinating, quality dense turf with good wear tolerance and vigour during the winter period. Slightly lighter in colour it blends with some lighter background turf and lends itself well to mid season repairs and 'top ups' for later season performance.
