# FoliMAX TURBO 10-0-20

SRN-IQ & DUAL POTASSIUM TECHNOLOGY

## DIRECTIONS FOR USE:

Apply as a spray application during the growing season on all turf grasses and most landscape plants. Dilute with water, using the desired potassium rate per 100m<sup>2</sup> according to the application rate chart. Apply in sufficient water to achieve adequate plant coverage. Use a water volume of 5–15L per 100m<sup>2</sup> (500–1500L/Ha), depending on the application rate. Avoid mowing for 24 hours following an application.

Application Rate Chart		
K Kg/Ha	mL/100m <sup>2</sup>	L/Ha
8	400	40
12	600	60
16	800	80
20	1000	100
25	1250	125

## MIXING:

Fill spray vessel with half the required volume of water. Shake container of FoliMAX Turbo 10-0-20 and add required amount to spray tank while agitating. Add remaining water to the spray tank. Continue agitating during application. Wash out spray tank, including nozzles, immediately after use.

## STORAGE, HANDLING AND DISPOSAL:

Do not store below 0 °C, as crystallisation may occur. Do not contaminate lakes, streams, dams or ponds by cleaning equipment or disposal of waste. Avoid contact with eyes and skin by wearing appropriate protective equipment, such as gloves, boots and safety goggles.

## FIRST AID AND SAFETY DIRECTIONS:

In case of contact with eyes or skin, flush at once with large amounts of water. If irritation persists, seek medical attention. If swallowed, drink large amounts of water and induce vomiting. Seek medical attention.

## CONDITIONS OF SALE:

Nuturf shall not be liable for any loss, injury damage or death whether consequential or otherwise whatsoever, or howsoever arising whether through negligence or otherwise in connection with the sole, supply, use or application of this product. The supply of this product is on the express condition that the purchaser does not rely on Nuturf's skill or judgement in purchasing or using the same and every person dealing with this product does so at his own risk absolutely. No representative of Nuturf has any authority to add to or alter these conditions.
