# STAMINA<sup>®</sup>

# GYP-WET

**LONG-TERM SOIL WETTER WITH GYPSUM**

## STAMINA 90 + GYPSUM

Stamina<sup>®</sup> Gyp-Wet is a unique combination, granular wetting agent containing Stamin 90 on a gypsum carrier.

Stamina<sup>®</sup> Gyp-Wet contains 21% calcium and is ideal for improving calcium levels and reducing sodium accumulation whilst supplying your wetting agent needs.

Analysis: 21% Calcium

### SAFETY DIRECTIONS

Keep out of reach of children. Users are cautioned to take reasonable safety precautions when handling and applying this product. Avoid contact with eyes and skin. For more information refer to the safety data sheet (SDS) which is available from the supplier or visit [www.nuturf.com.au](http://www.nuturf.com.au)

### CONDITIONS OF SALE

Nuturf shall not be liable for any loss injury damage or death whether consequential or otherwise whatsoever or howsoever arising whether through negligence or otherwise in connection with the sale supply use or application of this product. The supply of this product is on the express condition that the purchaser does not rely on Nuturf Australia's skill or judgement in purchasing or using the same and every person dealing with this product does so at his own risk absolutely. No representative of Nuturf has any authority to add to or alter these conditions.

Additional information under the Globally Harmonised System (GHS):  
GHS Signal word: **WARNING**.

HAZARD STATEMENT: Repeated exposure may cause skin dryness or cracking.

**STORAGE:** Store in a dry place. Store in a closed container.

**DISPOSAL:** If recycling or reclaiming is not possible, use a commercial waste disposal service.

### PREVENTION

Keep out of reach of children. Avoid breathing dusts.  
Do not get in eyes, on skin, or on clothing.  
Use personal protective equipment as required.

### RESPONSE

If eye irritation persists: seek medical attention. Rinse skin or shower with water.  
IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.  
Not combustible. Use extinguishing media suited to burning materials.
